Response to your Request

Norfolk Constabulary has located the following information as relevant to your request.

The Joint Performance and Analysis Department has undertaken research of both recorded crimes and incident reports. With regard to dogs reported missing, they have looked at CAD incident reports which have a Disposal Code of 'Animals/Wildlife' and used the keyword 'Missing'. Please note it is possible that dogs have been reported missing and a different 'Disposal Code' allocated to the CAD report. Therefore this may not be an accurate picture of the number reported missing.
