Freedom of Information Request Reference N^o: FOI 001264/16

I write in connection with your request for information received by the Norfolk Constabulary on the 24th March 2016 in which you sought access to the following information:

I am seeking the following information in relation to speed cameras under your authority, under the Freedom of Information Act 2000:

- 1 The total number of speed cameras
- 2 The total amount of money made from speed cameras
- 3 The two highest grossing speed cameras in 2015 - and what they grossed

For part one and two, I would like the information annually from January 2013 until the time my request is dealt with.

Norfolk Constabulary holds part information relevant to your request.

Response to your Request

Norfolk Constabulary has located the following information as relevant to your request.

- Q1 There are 22 fixed camera sites in Norfolk.
- Q2 The Constabulary does not hold information concerning the value of fines as they are paid directly to Her Majesty's Courts and Tribunals Service (HMCTS), as opposed to individual police force areas. The figures will depend on the number of fixed penalties paid and the number where a fine was imposed at Court.

We can, however, provide the number of offences by camera site.
