I write in connection with your request for information received by the Norfolk Constabulary on the 26<sup>th</sup> January 2017 in which you sought access to the following information:

I am interested to know figures for the number of sexual offences reported to Norfolk Constabulary that were committed in hospitals (NHS wards, private clinics and other health centres) in 2016, 2015, 2014, 2013, 2012 and 2011. Please could you break these down according to whether the offences were rapes or "other" sexual offences, and whether they were committed against a minor or an adult.

Just to clarify, I am defining a minor as someone aged below 16.

Norfolk Constabulary holds information relevant to your request.
