February 2016

Dear

Freedom of Information Request Reference N^o: FOI 000144/16

I write in connection with your request for information received by the Norfolk Constabulary on the 12th January 2016 in which you sought access to the following information:

Please supply all the mobile sites where the safety cameras can attend and how many times these sites have been attended since June 2015. A break down per month would be ideal but not necessary if it will cost too much

Norfolk Constabulary holds information relevant to your request.

Response to your Request

In order to establish what information may be held regarding your request, we have contacted the Safety Camera Partnership Team, they have advised on the following.

Sites are identified through Community concerns and accident data, the sites that we enforce at continuously change.

We can only provide you with sites from June 2015 where there has been offences committed. Sites that we have attended where no offences were captured are not held in a central point.
