Freedom of Information Request Reference N°: FOI 001543/19

I write in connection with your request for information received by Norfolk Constabulary on the 23rd April 2019 in which you sought access to the following information:

Re: Hall Lane, Drayton, NR8 6HH (see maps attached)

Over recent years there has been a significant change to Hall Lane particularly on the red marked section of the road, there has been a number of chicanes introduced into this section of road. I am trying to ascertain the effects of the chicanes of road traffic and pedestrian recorded accidents.

Could you provide me with the recorded accident for the red and blue marked stretches of road if this information could be divided into two parts namely for the red area and for the blue area over the last 5 years.

Response to your Request

The response provided below is correct as of 25th April 2019.

Norfolk Constabulary has located the following information as relevant to your request.

Please see below maps detailing recorded injury collisions.
