Dear

Freedom of Information Request Reference N^o: FOI 001726/16

I write in connection with your request for information received by the Norfolk Constabulary on the 21st April 2016 in which you sought access to the following information:

How many officers took sick leave for depression, anxiety, stress or post-traumatic stress in the last financial year (ending April 5 2016).

By this, I mean where any of the terms 'depression', 'anxiety' or 'stress' or 'post-traumatic stress' appear in the description of the officer's illness.

If possible, it would be useful for the information for each year to be broken down by rank, with a general description of the illness.

Norfolk Constabulary holds information relevant to your request.
