Additionally, Norfolk Constabulary can neither confirm nor deny whether any other information is held, with regard to an exempt body, as the duty in Section 1(1)(a) of the Freedom of Information Act 2000 does not apply by virtue of the following exemption:

- Section 23(5) Information Supplied by, or concerning, certain Security Bodies

Section 23 is a class based absolute exemption and there is no requirement to consider the public interest in this case.

Confirming or denying whether any other information is held would contravene the constrictions laid out within Section 23 of the Freedom of Information Act 2000 in that this stipulates a generic bar on disclosure of any information applied by, or concerning, certain Security Bodies.
