Freedom of Information Request Reference N°: FOI 000244/19

I write in connection with your request for information received by Norfolk Constabulary on the 17th January 2019 in which you sought access to the following information:

The number of motoring offences recorded and prosecuted in North Norfolk. Could you provide the total number of prosecutions for motoring offences, including speeding offences, over each of the last three years?

Response to your Request

The response provided below is correct as of 18th January 2019.

Norfolk Constabulary has located the following information as relevant to your request.

Information is held relating to villages and towns where an offence has occurred and not specifically to an area of Norfolk. A manual review has been undertaken and those towns and villages that do not fall within North Norfolk have been removed.

We have provided below details of speeding offences via either a safety camera or officer issued. A column detailing the number dealt with by the courts has been included.
