October 2016

Freedom of Information Request Reference N^o: FOI 003413/16

I write in connection with your request for information received by the Norfolk Constabulary on the 14th September 2016 in which you sought access to the following information:

As per my telephone call to you today (14/9/16). I am requesting on behalf of Felthorpe Parish Council a Freedom of Information request for any information you have in respect of any reported traffic incidents that have been recorded by yourselves at the following locations in Felthorpe.

Brands Lane from Reepham Road junction to the junction of Church Lane with Bilney Lane.

Bilney Lane from The Street to the junction of Church Lane and Brands Lane.

Church Lane from Taverham Road junction to the junction of Brands Lane and Bilney Lane.

The time frame we are looking for is from 1st July 2015 to the 31st August 2016.

As with our request last year (FOI 323/15/16) the information we require is anything relating to the highway, traffic and pedestrian incidents, ie obstruction, inconsiderate/careless/dangerous driving/riding, RTC's, parking and near miss incidents etc:

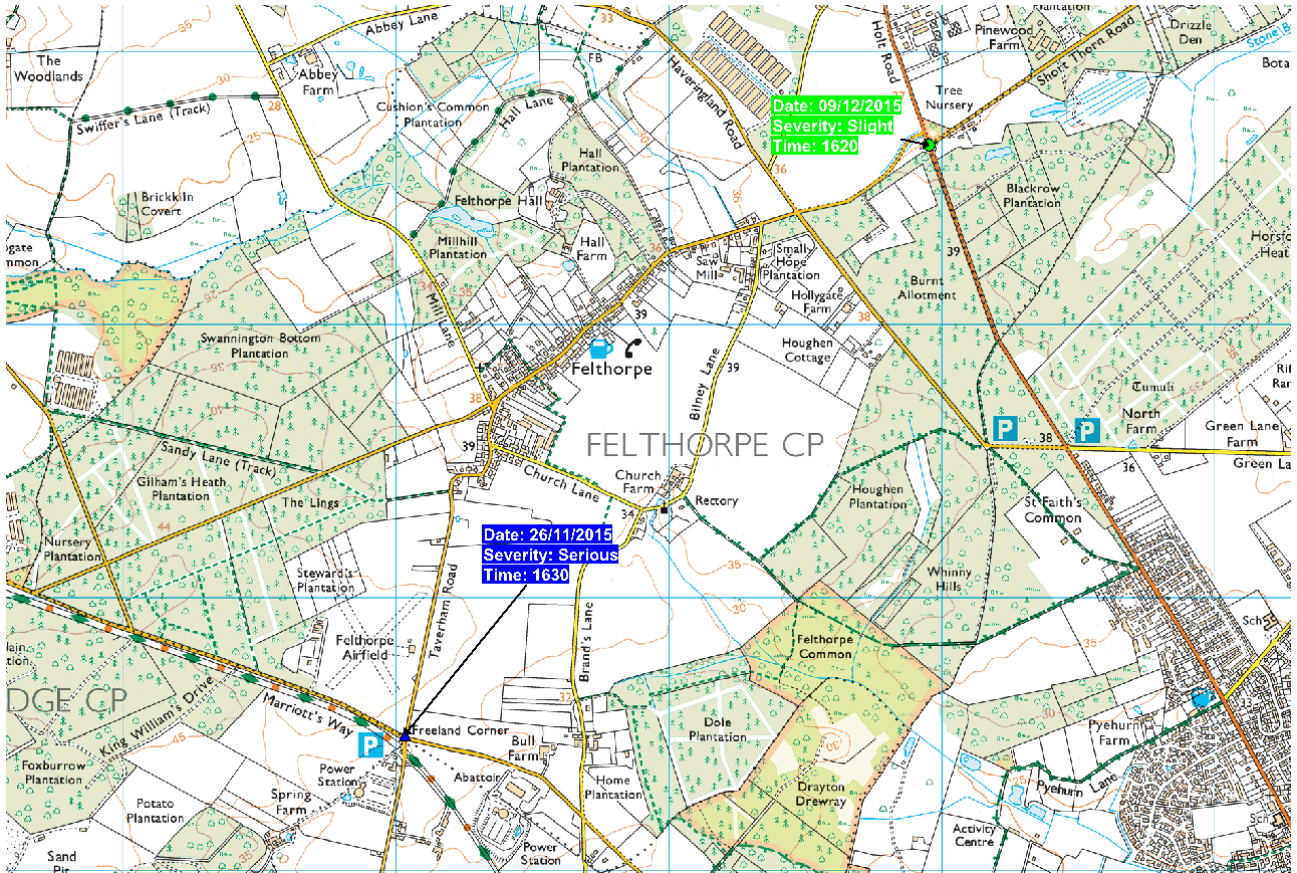

This information is to be used as part of our road safety campaign for road improvements within Felthorpe. The residents who live beside these particular roads are concerned of the increase in traffic over recent times and we hope to prove the need to highways that they need to restrict the vehicles that use these narrow roads.

Norfolk Constabulary holds information relevant to your request.

Response to your Request

Norfolk Constabulary has located the following information as relevant to your request.

The following map shows injury collisions recorded during the period requested.
