Freedom of Information Request Reference N^o: FOI 004235/16

I write in connection with your request for information received by the Norfolk Constabulary on the 21st November 2016 in which you sought access to the following information:

I would like to know if it is at all possible to obtain numbers regarding incident reports (specifically traffic related) on a particular road in Norwich (Colman Road).

The council have revealed that as of March next year they will remove the road crossing patrol on the junction of South Park Avenue. A group of parents/governors are unhappy with the decision and feel that the proper assessment that has lead to this decision has not taken place.

We are preparing a press release on behalf of the school governors and it would be useful to have some stats on traffic accidents on Colman Road.

Norfolk Constabulary holds information relevant to your request.

Response to your Request

Norfolk Constabulary has located the following information as relevant to your request.

The Roads Policing Unit has advised that between 1st January 2005 and the date of your request, there have been the following recorded injury collisions:-
