Freedom of Information Request Reference N^o: FOI 000488/16

I write in connection with your request for information received by the Norfolk Constabulary on the 1st February 2016 in which you sought access to the following information:

Can I make a Freedom of Information Act request please, on the number of complaints made to Norfolk Constabulary from residents local to Kings Head Meadow, specifically about noise pollution or anti social behaviour.

If possible, please tell me the number of complaints made in the last 15 months.

There is a proposal by the Town Council to relocate play equipment on KHM, allegedly due to complaints. However I'd like to know how many complaints were made as the relocation of play equipment, at the cost of £60,000 seems excessive if very few complaints were made to the Constabulary.

Norfolk Constabulary holds information relevant to your request.
