

June 2017

Freedom of Information Request Reference N^o: FOI 004923/17

I write in connection with your request for information received by Norfolk Constabulary on the 15th May 2017 in which you sought access to the following information:

I would like to get information on all reported accidents on the A140 in Hevingham and Marsham in the last 3-5 years.

Response to your Request

The response provided below is correct as of 15th May 2017.

Norfolk Constabulary has located the following information as relevant to your request.

The Roads Policing Unit records all injury and fatal collisions reported to the Constabulary. The details of these have been provided on the map at the end of this response letter.

Additionally research has been undertaken of calls made to the Constabulary's Contact and Control Room which have been coded as either RTC – Damage Only or RTC – Personal Injury. Please note, even though a call has been coded as personal injury these may not fall into the criteria of an injury collision as recorded by the Roads Policing Unit.
