Freedom of Information Request Reference N^o: FOI 005290/17

I write in connection with your request for information received by Norfolk Constabulary on the 12th June 2017 in which you sought access to the following information:

I am writing to make a Freedom of Information request to the Norfolk Constabulary. I would like to request information on hate crimes for each month from the 1st January 2015 to April 30th 2017, with information about the ethnicity and place/country of birth of those reporting the crime, the type of hate crime (race/religion/sexual orientation/disability/transgender).

If possible, it would be helpful if information were provided as to whether these crimes were public order, violence against the person, criminal damage and arson, other notifiable offences.

Data already released in the Hate Crime, England and Wales, 2015/16 (Statistical Bulletin 11/16) suggest that the data has already been collected, but the data release does not provide monthly information at the level of individual forces nor by victim ethnicity.

Response to your Request

The response provided below is correct as of 10th July 2017.

Norfolk Constabulary has located the following information as relevant to your request.
