March 2016

Dear

Freedom of Information Request Reference N^o: FOI 000634/16

I write in connection with your request for information received by the Norfolk Constabulary on the 9th February 2016 in which you sought access to the following information:

Please can you tell me how many requests have been made under Clare's Law (the Domestic Violence Disclosure Scheme) since it went nationwide on 08 March 2014. I.e. the number of requests made to your constabulary between 08 March 2014 and 08 February 2016.

I am doing a nationwide FoI to see how effective the law has been in the two years it has been running, so if you could get back to me by the end of February, that would be greatly appreciated.

Clarification:-

Further to the Freedom of Information request below, please could you break down the figures as follows:

- Number of requests made
- Number of requests which were 'right to ask'
- Number of requests which were 'right to know'
- Number of requests which resulted in disclosure
- Sex of the victims.

Norfolk Constabulary holds information relevant to your request.

Response to your Request

Norfolk Constabulary has located the following information as relevant to your request.
