

**NORFOLK**  
CONSTABULARY  
*Our Priority is You*

December 2017

**Freedom of Information Request Reference N°: FOI 007266/17**

I write in connection with your request for information received by Norfolk Constabulary on the 14<sup>th</sup> November 2017 in which you sought access to the following information:

This is similar to a request I have previously made but I have refined it and need more up to date figures so I hope you're able to assist with this one, and apologies for the similarity.

**QUESTIONS:**

- 1 I would like to know how many under 18 males attacked their parent or guardian between 2012 - present?
- 2 I would like to know how many under 18 females attacked their parent or guardian between 2012 - present?
- 3 What was the outcome?

If possible I would also like to know the age of the attacker and the age of the victim.

If this helps - please search for these Home Office crimes:

- 1 Murder Violence against the person Homicide
- 2 Attempted murder Violence against the person Violence with injury  
Assault with intent to cause serious harm Previously 5A - now covers codes 5/1, 5/6, 5/21  
Assault with injury Previously codes 8F, 8G and 8K

**Response to your Request**

When responding to a request for information under the terms of the Freedom of Information Act, a public authority is not obliged to provide information if the authority estimates that the cost of the retrieval of the information requested would be in excess of £450 (equivalent to 18 hours work).

The costs criteria relates to a request in its entirety, which means that if we cannot retrieve all of the information requested within the costs limit, we are not obliged to retrieve *any* of the information requested.

The Norfolk Constabulary estimates that to retrieve all the information you have requested would exceed cost in excess of £450.

In order to identify relevant information, we have contacted our Joint Performance and Analysis Department (JPAD). They have advised that the CIS system which was used to record crimes, up to October 2015, had the facility to identify those crimes which were domestic related but did not have the facility to identify the relationship between the victim and the suspect/offender. Therefore the only way to retrieve relevant information would be to manually review the details of each crime report.

This would be an enormous task which would significantly exceed the appropriate limit for dealing with Freedom of Information requests, in terms of costs, and therefore Section 12(1) of the Freedom of Information Act applies.

Section 12(1) of the Freedom of Information Act states that a public authority is not obliged to:

*“...comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit”.*

The Freedom of Information (Appropriate Limit and Fees) Regulations 2004, defines the ‘appropriate limit’ for the Norfolk Constabulary as £450, and specifies that this sum equates to 18 hours work at a standard rate of £25 per hour.

In accordance with Section 17 of the Freedom of Information Act (2000), this serves as a Refusal Notice for your request.

### Advice and Assistance

Although excess cost removes the Constabulary’s obligations under the Freedom of Information Act, as a gesture of goodwill, I have supplied information, relevant to your request, which was retrieved or available before it was realised that the fees limit would be exceeded. I trust this is helpful, but it does not affect our legal right to rely on the fees regulations for the remainder of your request.

Please see below information which has been extracted from the Athena crime system which has been in place since 19<sup>th</sup> October 2015. The information is based on the relationship of either son or daughter being selected on the crime report.
