Freedom of Information Request Reference N°: FOI 007437/17

I write in connection with your request for information received by Norfolk Constabulary on the 28th November 2017 in which you sought access to the following information:

I would like to request a copy of the youth crime statistics for the past year in Wymondham, Norfolk. The Norfolk Constabulary website very helpfully has a crime map (which is excellent, and very informative!), but this doesn't specify how many arrests/offences/etc involved young people. As a youth worker in the area this is a point of interest and useful information to have. Knowing how many of the 37 ASB offences in August 2017 were committed by young people, for example, is significant.

Clarification

The applicant has clarified that he requires recorded crime stats, committed by under 18 year olds, for the period of October '16' to October '17'

Response to your Request

The response provided below is correct as of 5th December 2017.

Norfolk Constabulary has located the following information as relevant to your request.
