March 2016

Dear

**Freedom of Information Request Reference N<sup>o</sup>: FOI 000774/16**

I write in connection with your request for information received by the Norfolk Constabulary on the 17<sup>th</sup> February 2016 in which you sought access to the following information:

For those forces who have been encountering difficulties I've asked instead that they search for crime totals for any or all of the following offences (they differ from force to force):

- Apply / administer / attempt / cause to be taken a drug with intent to commit an indictable offence
- Administer poison with intent to endanger life / inflict grievous bodily harm
- Cause administer poison / noxious thing with intent to injure / aggrieve / annoy
- Administer drug to woman to obtain intercourse
- Administer substance with intent to stupefy / overpower to allow sexual activity

If it's possible, please include only those offences containing the words "spiked" and "drink" or combinations thereof in the MOs. Again I would like to know the total number of offences, and the total number of arrests for the above crimes every year 2010 – 2015.

Norfolk Constabulary holds information relevant to your request.

**Response to your Request**

Norfolk Constabulary has located the following information as relevant to your request.

The Joint Performance and Analysis Department has undertaken research of the Constabulary's crime databases in relation to the offences listed. With regard to the way in which custody records are recorded they have had to use the keywords 'noxious substance' in order to retrieve relevant arrest information. Please see results tables below:-

193/44 – Supply of intoxicating substance.

88/5 – Administering a substance with intent.

5/10 – Administering poison so as to endanger life.

5/24 - Use of noxious substances or things to cause harm and intimidate.

8/2 – Administering poison with intent to injure or annoy.
