

# Equality Impact Assessment

**Anti-bullying, Harassment & Victimisation in the Workplace Policy**

Document Version:	2
Date Completed/Reviewed:	July 2020

## What is an Equality Impact Assessment?

An Equality Impact Assessment (EIA) is an evidence-based assessment of how an organisational policy, plan or practice will positively support the Constabulary's/Constabularies' general equality duties, as well as identify any potential negative disproportionate impact on people or groups of people, specifically those identified as having a protected characteristic as identified in the Equality Act 2010. It will also outline any steps required to mitigate any negative impact as well as identify ways to promote equality of opportunity.

There are nine protected characteristics, which are:

- Age,
- Disability,
- Gender Reassignment,
- Marriage and Civil Partnership,
- Pregnancy and Maternity,
- Race,
- Religion or Belief,
- Sex, and
- Sexual Orientation.

Two additional areas for consideration have also been included in this assessment:

- Family Status (e.g. dependants or caring responsibilities), and
- Economic Status.

## Completing the EIA

Stage one of the EIA (Initial Screening) must be completed before a policy, plan or practice is developed or reviewed. This will then determine whether it is necessary to continue onto stage two; the Full EIA. Where a Full EIA is required, this is an ongoing process and needs to be completed alongside the policy, plan or practice development/review and must not be completed retrospectively.

Completion of the EIA should be carried out in conjunction with the joint Equality Impact Assessments policy.

Further advice on the completion of the Equality Impact Assessment can be obtained from either of the Constabularies' Diversity Units.

**Please Note:** For ease of reference, within this template the term 'policy, plan or practice' is used, but must be taken to mean any organisational functions, activities or decisions that may affect external communities or internal personnel.

## Stage One – Equality Impact Assessment Initial Screening

The EIA Initial Screening must be completed prior to a policy, plan or practice being developed/reviewed.

**1 Summarise the main aim(s) or purpose(s) of the policy, plan or practice, including any benefits or outcomes:**

The purpose of the policy is to provide guidance and information in relation to bullying, harassment and victimisation as well as a process through which issues, concerns and complaints can be raised.

Adherence to this policy will ensure compliance with all relevant legislation and internal policy. The implementation of this policy will help create an ethos where bullying, harassment and victimisation are regarded as unacceptable so that a safe environment is created for everyone to work. It will enable any incidents raised to be dealt with promptly and effectively and appropriate action be taken.

**2 What factors, if any, could contribute or detract from the outcomes?**

- Staff and officers not made aware of the policy
- Procedure not followed by HR Department, Professional Standards and the HR Casework Team
- Breaches of confidentiality or perceived breaches of confidentiality.

**3 Identify individuals and organisations (internally and externally) that are likely to have an interest in, or be affected by the policy, plan or practice:**

Internal

Police officers, police staff, specials, volunteers, HR Department, line managers, Police Federation, Superintendent’s Association, UNISON, Staff Networks, Commanders/Department Heads, PCCs, ACPO.

External

Service Users/Customers, suppliers, contractors, members of the public

**5 Can any impact identified above be justified? Yes  No  N/A**

**Evidence/Reason:**

The Equality Impact Assessment is now complete if:

- **No** differential/adverse impact has been identified, or
- A differential/adverse impact has been identified **but can be justified**.

If the differential/adverse impact **cannot** be justified, a [Full Equality Impact Assessment](#) must be completed.

**6 Is a Full Equality Impact Assessment required? Yes  No\***

**\*Please Note:** If equality issues are identified during the course of the policy, plan or practice development/review, the EIA Initial Screening will need to be revisited. This may result in a Full EIA being required where it previously was not.

## **Stage Two - Full Equality Impact Assessment**
