Norfolk Constabulary is regarded by Her Majesty's Inspectorate as one of the best performing forces nationwide and our Special Constables play a big part in that success. Our Special Constables are truly part of the team and carry out a range of vital roles which contribute towards making our communities safer.

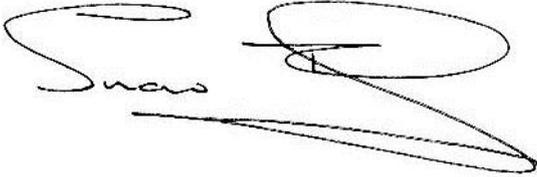

Becoming a Special Constable will provide you with many great experiences, the role can be exciting, challenging and at times will test you. However, these experiences will allow you to develop a range of skills which will last a lifetime. We will provide you with all the training and support you need to make your time with us a success.

We aim to recruit Special Constables with a diverse range of backgrounds and experiences to ensure that our team reflects the communities we serve. Our Special Constables bring unique skills and insight to the Constabulary, and to support you in your role, you will have access to the wide range of groups and networks that are available. If you'd like to know more, please speak to one of our recruitment team.

The majority of correspondence concerning your application will be sent to you via email unless you do not have an email address, in which case please make us aware of this in your application. During the recruitment process please ensure you keep us up-to-date with your personal details such as employment changes and change of address together with any convictions, cautions, motoring offences and fixed penalty notices.

I would like to thank you again for your interest in the Special Constabulary and look forward to receiving your completed application form in the very near future. The success of Norfolk Constabulary is dependent upon having a workforce that is committed to serving their local community and making a difference to the lives of others. The 200 Specials already in the Constabulary are a credit to our force; I sincerely hope that you complete the application and join the team.

Yours sincerely
